**SUPPLEMENT TO COUNTERPROPOSAL OF IDAHO
BROADCASTING CONSORTIUM, INC.**

IDAHO BROADCASTING CONSORTIUM, INC. ("IBC") by its attorneys, hereby submits a supplement to its June 28, 1999, Counterproposal filed in connection with the above-captioned proceeding. In support thereof, IBC respectfully submits as follows:

IBC has supported the proposal of the original proponent, Mountain West Broadcasting ("MWB"), but proffered an alternate reference point, from that proposed by MWB, for the allotment of Channel 271 to Rangely, Colorado. It also has proposed the substitution of Channel 273A for 279C2 at Silverton, Colorado, and the relocation and allotment of Channel 279C2 from Silverton, Colorado, to Ridgway, Colorado. IBC is the permittee of Radio Station KBNG(FM), Silverton, Colorado (FCC Facility ID No. 89280).

The purpose of this supplement is to affirmatively state for the record that should make the allotment of (i) Channel 279 from Silverton, to Ridgway, Colorado, and (ii) Channel 273A to Silverton, Colorado, then IBC intends to (a) apply for authority to modify the Construction Permit for KBNG to specify Ridgway in lieu of Silverton, Colorado, as the community of license for KBNG, and (b) tender an application, when permitted by the Commission, for authority to construct new facilities on Channel 273 at Silverton, Colorado, presuming
